

Fundraiser for Ethiopian children orphaned by AIDS

If you only get along to one **Legends** gig this year, this is the one! Organised by the 'Weekend Warriors' (musicked-again, post-family rockers) and sponsored by Holden Hill Music, a fundraiser will be held on Sunday afternoon, 13 August to support the essential and inspiring work of **Hope For Children** in Ethiopia.

Because of AIDS, millions of Ethiopian children in this decade will be left homeless, parentless, anchorless and shunned. Hope For Children provides practical support to help affected children grow to adulthood with a sense of hope and purpose and become contributing members of their communities. Check out the website at <http://www.hopeforchildren.org.au>.

Sunday's concert will be held at **Fowlers Live** at the corner of North Terrace and Morphett Streets, which many folkies and other party animals will fondly remember as the old **Music Works** and **Fringe Club** venue.

Songwriting workshop and Stinky Creek Folk Festival

Planning is now well under way for the 2006 Stinky Creek Folk Festival near Port Lincoln on the Labour Day Long Weekend, 29 September to 2 October. We can't point you to a final program just yet, but **The Legends** and much more are definitely on it (see <http://www.geocities.com/cellarclub2003/SGIII06.html>).

As well as full band concert appearances, **Legends** **Kate Battersby** and **Dave Lambert** will be running a songwriting workshop for the Festival. 'We can't wait. Ron [Higgins, co-ordinator] has agreed to let us program a two-session workshop,' says Kate. 'Our idea is that the same participants sign up for both sessions. This way we can lay the groundwork and challenge participants - ourselves included - to write something new for the second session, which makes the whole process very immediate and stimulating.'

WHY NOT JOIN US? This is one of the increasingly rare genuine small country-style folk festivals, and you're still in time to book an **Early Bird** ticket at \$28 for the whole weekend!!! Port Lincoln and surrounds is an amazing piece of country and now you have the excuse you've been waiting for... so don't miss out!!! Contact **Ron Higgins** on 0428 886 870 and book now.

. . . notes from the mixing desk

This is **Ian Newton**, our **SOOND GOY**. Ian joined **The Legends** at the beginning of July and we love what he and his gear are doing for our sound. Next time you come to a **Legends** gig you will recognise him, so say 'hello' and realise he's **NOT THE ROADIE!!!** (We can't afford one of those yet, but we're working on it!)

Say hello to Ian!!
